Section 228 of the DGCL and our certificate of incorporation and bylaws permit us to take action without a meeting upon the written consent of the holders of outstanding shares of voting common stock, having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, unless otherwise provided in our certificate of incorporation. SUMMARY OF THE 2014 STOCK INCENTIVE PLAN

Description of the 2014 Plan

The essential features of the Semler Scientific, Inc. 2014 Stock Incentive Plan, or the 2014 Plan, are outlined below. The following description is not complete and is qualified by reference to the full text of the 2014 Plan, which is appended to this Information Statement as Exhibit B.

General Information

We adopted the 2014 Plan to encourage our employees and directors to own stock and align their interests with those of our stockholders and to attract, motivate and retain qualified employees and directors.

All of our employees and directors are eligible to receive awards under the 2014 Plan. Our Committee (as defined below) administering the 2014 Plan selects, in its sole discretion from time to time, those who will receive awards under the 2014 Plan.

Upon the effectiveness of the 2014 Plan, the aggregate number of shares of common stock that may be issued may not exceed 450,000 shares. We refer to this as the Share Reserve. In addition, the Share Reserve automatically increases on January 1st of each year, for a period of not more than 10 years, beginning on January 1st of the year following the year in which the 2014 Plan becomes effective and ending on (and including) January 1, 2024, in an amount equal to 4% of the total number of shares of common stock outstanding on December 31st of the preceding calendar year. Notwithstanding the foregoing, our Board of Directors, or Board, may act prior to January 1st of a given year to provide that there will be no January 1st increase in the Share Reserve for such year or that the increase in the Share Reserve for such year will be a lesser number of shares of common stock than would otherwise occur. If any award under the 2014 Plan is forfeited or cancelled or otherwise expires or terminates without issuance of shares of our common stock or is settled for cash, the underlying shares of our common stock become available again to be granted under the 2014 Plan. To prevent dilution or enlargement of the rights of participants under the 2014 Plan, appropriate adjustments will be made if any change is made to the outstanding shares of our common stock by reason of any merger, reorganization, statutory share exchange, consolidation, recapitalization, dividend or distribution, stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting our common stock or its value. The 2014 Plan permits the granting of a variety of stock-based awards. These are described below.

Administration of the 2014 Plan

The 2014 Plan is administered by the Compensation Committee of our Board or any other committee or sub-committee of the Board designated by the Board from time to time satisfying the conditions specified in the 2014 Plan. We refer to this administrator as the Committee. Our Board reserved the right to act in lieu of any such Committee from time to time. Committee members serve as such at the pleasure of the Board and may be removed by the Board at any time. Currently, the Compensation Committee of our Board acts as the Committee administering the 2014 Plan. Members of the Compensation Committee are eligible for awards under the 2014 Plan.

Among other powers specifically set forth in the 2014 Plan, the Committee has the power and authority in its discretion to:

- (a) determine which employees, consultants and directors shall be granted stock awards;
- (b) prescribe the terms and conditions of the stock awards;
- (c) interpret the 2014 Plan and stock awards;
- (d) adopt such procedures and sub-plans as are necessary or for the purpose of satisfying applicable laws;
- (e) adopt rules for the administration, interpretation and application of the 2014 Plan; and
- (f) interpret, amend or revoke any such rules.

In the case of awards designated as awards under Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, the Committee's power to take certain actions will be limited by Section 162(m) of the Code. The Committee's authority is also limited in certain instances by Section 409A of the Code. The Committee and our Board, without stockholder approval, are not permitted (i) to cancel outstanding options or stock appreciation rights in exchange for cash or in exchange for the grant of new awards as substitutes under the 2014 Plan; or (ii) to amend outstanding options or stock appreciation rights to reduce the exercise price below the exercise price of the original award.

To the extent permitted by applicable law, the Committee may delegate to our Chief Executive Officer the authority, subject to such terms and limitations as the Committee may determine by resolution, to grant awards to, cancel, modify, waive rights with respect to, alter, discontinue, terminate and otherwise exercise the Committee's authority under the 2014 Plan with respect to awards held by participants who are not persons subject to Section 16 of the Securities Exchange Act of 1934, as amended, or the Exchange Act. The acts of our Chief Executive Officer under such delegated authority will be treated as acts of the Committee, and our Chief Executive Officer will report regularly to the Committee regarding any award so granted or other actions taken by our Chief Executive Officer using such delegated authority.

Participants under the 2014 Plan will be bound by any decision or action that the Committee takes under the 2014 Plan. No new awards may be made under the 2014 Plan on or after July 24, 2024. The 2014 Plan may be amended or terminated by our Board at any time, although no 2014 Plan amendment will be effective without stockholder approval if such amendment materially increases the benefits accruing to participants under the 2014 Plan, increases the number of shares subject to the 2014 Plan (except pursuant to the adjustment provisions set forth in the 2014 Plan), changes the provisions relating to eligibility for awards or modifies the 2014 Plan in any manner requiring stockholder approval under any applicable stock exchange rule. The terms of an award agreement may not be amended in a manner adverse to any participant without such participant's consent, except to the extent provided in the participant's award agreement or to bring the 2014 Plan or the participant's award into compliance with (or qualify for an exemption under) Section 409A of the Code. The terms of a participant award may be adjusted, though, in the event of certain extraordinary corporate transactions or events, and the vesting provisions may be waived or adjusted if the participant's employment or directorship terminates.

Types of 2014 Plan Awards and Limits

Stock Options. Stock options provide participants with the right to purchase a given number of newly issued shares of our common stock at a fixed price, without fees, commissions or other charges. The Committee may grant incentive stock options (satisfying certain conditions for favorable tax treatment under Section 422 of the Code and nonqualified stock options under the 2014 Plan. There are 300,000 shares of our common stock reserved for issuance under the 2014 Plan as incentive stock options if the Committee so desires. The Committee determines the terms of any option grant, subject to the limitations in the 2014 Plan, and such terms will be set forth in an award agreement. No option may be exercised after the 10th anniversary of the date the option was granted. The exercise price of any option granted under the 2014 Plan will not be less than the fair market value of our common stock on the grant date. If permitted in the award agreement, payment upon exercise may be made by (1) cash or check, (2) delivery of shares of our common stock, (3) pursuant to a broker-assisted cashless exercise, (4) delivery of other consideration approved by the Committee with a fair market value equal to the exercise price or (5) other means determined by the Committee. Shares of our common stock surrendered upon exercise will be valued at fair market value, and the certificates for such shares will be duly endorsed for transfer or accompanied by appropriate stock powers and will be surrendered to us. A payment method involving delivery or withholding of shares of our common stock may not be used if it would violate applicable law or would result in adverse accounting consequences for us. Participants will not receive dividend equivalents rights on option awards.

Options constituting incentive stock options may be granted only to our employees. The aggregate market value, determined on the grant date of incentive stock options first becoming exercisable during a calendar year, may not exceed \$100,000. In addition, in the event a participant is more than a 10% stockholder of our Company, the exercise price of the incentive stock option may not be less than 110% of the fair market value of the common stock on the grant date, and the option may not be exercised more than five years after the grant date. In addition to these conditions, in order to receive the favorable tax

treatment under Section 422 of the Code, the participant would be required to satisfy certain holding period requirements for the shares following exercise.

Stock Appreciation Rights. A stock appreciation right is the right to receive cash or shares of our common stock upon exercise of the right based upon the amount of appreciation in the fair market value of the common stock from the specified exercise price. The Committee may grant stock appreciation rights pursuant to such terms and conditions as the Committee determines, subject to the limitations in the 2014 Plan, and such terms will be set forth in an award agreement. No stock appreciation right may be exercised more than 10 years after the grant date. The exercise price may not be less than the fair market value of the common stock on the grant date. Upon exercise of a stock appreciation right, a participant will have the right to receive the excess of the aggregate fair market value of the shares on the exercise date over the aggregate exercise price for the portion of the right being exercised. Payments may be made to a participant in cash or shares of our common stock as specified in the award agreement. Participants will not receive dividend equivalent rights on stock appreciation rights awards.

Restricted Stock and Restricted Stock Units. Restricted stock is issued stock that generally may not be transferred until the restrictions have lapsed or other vesting conditions have been satisfied. Restricted stock units give participants the right to receive cash or shares of our common stock upon the lapse of the restrictions or satisfaction of the vesting conditions. The Committee may grant awards of restricted stock and restricted stock units pursuant to such terms and conditions, including restrictions on transferability and alienation and other restrictions, as the Committee determines, subject to the limitations in the 2014 Plan, and such terms will be set forth in an award agreement. Any stock certificate a participant receives upon a grant of restricted stock will typically be set forth in a legend to reflect the applicable transfer restrictions, or we may retain the stock certificate until the restrictions lapse. If the restricted stock is issued in book entry form, a notation with similar restrictive effect will be made with the book entry. The Committee may require payment of consideration for restricted stock granted under the 2014 Plan, which may be payable in cash, stock or other property. For issued and outstanding shares of restricted stock, participants have the same rights as other stockholders, including all voting and dividend rights upon issuance of the related stock certificate, even if the shares remain subject to transfer restrictions. For restricted stock units, participants may receive dividend equivalent rights at the Committee's discretion. Restricted stock units are payable in shares of our common stock or cash as of the vesting date, as provided in the award agreement, and must be settled within 2.5 months after the later of the end of the calendar or fiscal year in which the restricted stock unit vests.

Stock Bonus. The Committee may grant stock bonuses on terms and conditions that the Committee determines, subject to the limitations in the 2014 Plan, and such terms will be set forth in an award agreement. The determination for granting stock bonuses is at the discretion of the Committee and may be based on the participant's attainment of certain milestones or performance levels as established by the Committee.

Section 162(m) Awards. The Committee may designate that any award in the form of restricted stock, restricted stock units, or stock bonuses be granted pursuant to Section 162(m) of the Code. As a result, such awards will be subject to certain additional requirements intended to satisfy the exemption for performance-based compensation from the deductibility limitation in Section 162(m) of the Code. The performance criteria will be one or more of the objective performance or operational goals listed in the 2014 Plan, and will be specified in the award agreement along with any other additional requirements relating to Section 162(m) of the Code.

The 2014 Plan provides certain limitations on the amount of awards. Subject to adjustment as provided in the 2014 Plan, with respect to awards intended to be Section 162(m) awards and option and stock appreciation rights awards intended to be exempt from the deductibility limitation in Section 162(m) of the Code, no participant in any one fiscal year may be granted (a) options or stock appreciation rights of more than 250,000 shares of our common stock; (b) restricted stock or restricted stock units that are denominated in more than 250,000 shares of our common stock. Notwithstanding the foregoing, during the fiscal year in which a participant first becomes an employee, he or she may be granted a stock award to receive up to a total of an additional 100,000 shares of common stock. If an award is cancelled, the cancelled award will continue to be counted towards the applicable limitations.

Tax Withholding

We have the right to withhold, or require payment of, the amount of any applicable tax upon exercise, award or lapse of restrictions, as required by law.

Limitations on Transfer of Awards

Participants may not transfer, pledge, assign or otherwise alienate any award of restricted stock or restricted stock units, and participants may not transfer any other award except by will or the laws of descent and distribution. Stock options and stock appreciation rights may only be exercised by a participant during that participant's lifetime. However, notwithstanding these restrictions, a participant may assign or transfer, without consideration, an award, other than an incentive stock option, with the consent of the Committee and subject to various conditions stated in the 2014 Plan. All shares of our common stock subject to an award and evidenced by a stock certificate will contain a legend restricting the transferability of the shares pursuant to the terms of the 2014 Plan, which can be removed once the restrictions have terminated, lapsed or been satisfied. If shares are issued in book entry form, a notation to the same restrictive effect will be placed on the transfer agent's books in connection with such shares.

Adjustments for Change in Control

Awards under the 2014 Plan are generally subject to special provisions upon the occurrence of a change in control transaction of the kind described in the 2014 Plan. Under the 2014 Plan, the Committee may, but is not required to, provide in an award agreement or otherwise that upon a change in control transaction (i) all outstanding options or stock appreciation rights immediately become fully vested and exercisable; (ii) any restriction period on restricted stock or a restricted stock unit award will immediately lapse so that the shares become freely transferable; (iii) all performance goals are deemed to have been satisfied and any restrictions on any performance award immediately lapse and the awards become immediately payable; or (iv) all performance measures are deemed to have been satisfied for any outstanding incentive award, which immediately become payable. The Committee may also determine that upon a change in control, any outstanding option or stock appreciation right will be cancelled in exchange for payment in cash, stock or other property for each vested share in an amount equal to the excess of the fair market value of the consideration to be paid in the change in control transaction over the exercise price.

Termination of Employment or Services

Options and Stock Appreciation Rights. Unless otherwise provided in the related award agreement, if a participant's employment or services is terminated for any reason prior to the date that an option or stock appreciation right becomes vested, that participant's right to exercise the option or stock appreciation right is forfeited and all rights cease. If an option or stock appreciation right becomes vested prior to a participant's termination of employment or services for any reason other than death or disability, then that participant will have the right to exercise the option or stock appreciation right to the extent it was exercisable upon termination before the earlier of three months after termination or the expiration of the option or stock appreciation right unless otherwise specified in the related award agreement. If termination is due to a participant's disability or death, then that participant or that participant's estate may exercise the option or stock appreciation right to the extent it was exercisable upon termination until 12 months following the date of termination, subject to any limitations in the award agreement. The Committee may, in its discretion, accelerate a participant's right to exercise an option or extend the option term, subject to any other limitations.

Restricted Stock and Restricted Stock Units. Unless otherwise provided in the related award agreement, if a participant's employment or services is terminated for any reason, any portion of restricted stock or restricted stock units not yet vested is generally forfeited to us (subject to a refund of any purchase price paid by the participant). In its sole discretion, the Committee may provide in a participant's agreement that a restricted stock or restricted stock unit award will continue after termination of employment or services or may also waive or change any restrictions in its sole discretion except for restrictions on a Section 162(m) award. The Committee may, for Section 162(m) awards, deem restrictions and performance goals satisfied if a participant terminates employment due to death or disability.

Federal Tax Consequences

The brief discussion of tax consequences set forth below is not intended to be a complete statement of the U.S. federal tax consequences as they relate to awards under the 2014 Plan or of disposing of shares of our common stock received under the 2014 Plan. The summary does not discuss foreign, state, or local tax laws. Because of the complex nature of tax provisions regarding awards, participants are urged to consult a tax adviser before making decisions with respect to any award.

Nonqualified Stock Options. There will be no federal income tax consequences to a participant or to us upon the grant of a nonqualified stock option. When a nonqualified option is exercised, a participant will recognize ordinary income in an amount equal to the excess of the fair market value of the option shares on the date of exercise over the exercise price, and we will be allowed a corresponding tax deduction, subject to any applicable limitations under Section 162(m) of the Code. Any gain that a participant realizes when the participant later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the participant held the shares.

Incentive Stock Options. There are no federal income tax consequences to participants or to us upon the grant of an incentive stock option. If a participant holds shares acquired upon the exercise of an incentive stock option (*i.e.*, option shares) for the required holding period of at least two (2) years after the date the option was granted and one year after exercise of the option, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and we will not be entitled to a federal income tax deduction. If a participant disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, the participant will recognize taxable ordinary income in an amount equal to the difference between the exercise price and the lesser of the fair market value of the shares on the date of exercise or the disposition price, and we will be allowed a federal income tax deduction equal to such amount, subject to any applicable limitations under Section 162(m) of the Code. Any amount received by a participant in excess of the fair market value on the exercise date will be taxed to the participant as capital gain, and we will receive no corresponding deduction. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be a tax preference item that could subject a participant to alternative minimum tax in the year of exercise.

Stock Appreciation Rights. Participants will not recognize income, and we will not be allowed a tax deduction, at the time a stock appreciation right is granted. When a stock appreciation right is exercised, the cash or fair market value of any shares of common stock received will be taxable to a participant as ordinary income, and we will be allowed a federal income tax deduction equal to such amount, subject to any applicable limitations under Section 162(m) of the Code.

Restricted Stock Awards. Unless a participant makes an election to accelerate recognition of income to the grant date as described below, a participant will not recognize income, and we will not be allowed a tax deduction, at the time a restricted stock award is granted. When the restrictions lapse, participants will recognize ordinary income equal to the fair market value of the common stock as of that date, less any amount paid for the stock, and we will be allowed a corresponding tax deduction, subject to any applicable limitations under Section 162(m) of the Code. If a participant files an election under Section 83(b) of the Code within 30 days after the grant date, however, the participant will recognize ordinary income as of the grant date equal to the fair market value of the stock as of that date, less any amount paid for the stock, and we will be allowed a corresponding tax deduction at that time, subject to any applicable limitations under Section 162(m) of the Code. Any future appreciation in the stock will be taxable to the participant at capital gains rates. However, if the stock is later forfeited, the participant will not be able to recover the tax previously paid pursuant to the Section 83(b) election.

Restricted Stock Unit Awards and Stock Bonuses. Participants will not recognize income, and we will not be allowed a tax deduction, at the time a restricted stock unit award or stock bonus is granted. When a participant receives payment under a restricted stock unit award or stock bonus, the fair market value of any shares of stock received will be ordinary income to the participant, and we will be allowed a corresponding tax deduction at that time, subject to any applicable limitations under Section 162(m) of the Code.

Section 409A. Section 409A of the Code has implications that affect traditional deferred compensation plans, as well as certain equity-based awards. Section 409A of the Code requires compliance with specific rules regarding the timing of exercise or settlement of equity-based awards. If a participant holds awards, the participant is subject to the following penalties if the terms of such awards are not exempted from or do not comply with the requirements of Section 409A of the Code: (i) appreciation is includible in the participant's gross income for tax purposes once the awards are no longer subject to a "substantial risk of forfeiture" (e.g., upon vesting); (ii) the participant is required to pay interest at the tax underpayment rate plus 1% commencing on the date an award subject to Section 409A of the Code is no longer subject to a substantial risk of forfeiture; and (iii) the participant incurs a 20% penalty tax on the amount required to be included in income. The 2014 Plan and the awards granted under the 2014 Plan are intended to conform to or be exempt from the requirements of Section 409A of the Code.

Also, for 2012, includes incremental value associated with the re-pricing of all outstanding stock options that occurred during 2012. See Note 9 to our audited financial statements, for additional information.
- (4) For Dr. Murphy-Chutorian, represents aggregate of monthly stipend (\$160,000) in 2013 and sales commissions (\$126,305) earned in 2013; and in 2012, represents aggregate of monthly stipend (\$192,000), sales commissions (\$69,090), accrued expenses for consulting services rendered (\$482,026) and fair value of warrant purchases (\$43,000) earned during 2012, including amounts earned prior to being appointed as a Director in September 2012 and as Chief Executive Officer effective October 31, 2012. In 2012, Dr. Murphy-Chutorian performed consulting services, which included managing finance, sales, marketing, operational and strategic planning for our company, as well as assistance and strategic guidance in securing financing. He deferred payment of \$482,026 of the invoices for his services in assistance and strategic guidance in securing financing that are booked as accrued expenses. We agreed to pay him \$150,000 of this receivable following the closing of our initial public offering, and will begin making installment payments of \$30,000 per month beginning six months after the closing of our initial public offering until such receivable is paid in full.
- (5) For Mr. McRae, represents payment of health insurance premiums pursuant to the terms of his employment agreement.

Discussion of Summary Compensation Table

We enter into individually negotiated compensation arrangements with each of our named executive officers. Our named executive officers may receive salary, bonus and other benefits, such as the payment of health insurance premiums or other individually negotiated health benefits pursuant to the terms of their negotiated compensation package. We may also grant our named executive officers awards under our equity incentive plans.

At the time he joined our company as a Director, and subsequently as our Chief Executive Officer, Dr. Murphy-Chutorian did not have a formal employment agreement with our company. We engaged Dr. Murphy-Chutorian as an independent contractor. Pursuant to the terms of his sales representative agreement entered into in October 2010, Dr. Murphy-Chutorian received sales commissions of \$15 per month per successfully-installed product that had an active and effective service agreement in place. After the renewal of the sales representative agreement in January 2012, Dr. Murphy-Chutorian received a monthly stipend of \$16,000, in addition to receiving sales commissions of \$15 per month per successfully-installed product that had an active and effective service agreement in place. In September 2012, Dr. Murphy-Chutorian became a Director and effective October 31, 2012, he became our Chief Executive Officer. On November 11, 2013, we entered into an at-will employment agreement with Dr. Murphy-Chutorian. Under the terms of this agreement, Dr. Murphy-Chutorian can be terminated at any time and his job titles, salaries and benefits may be modified from time to time as we deem necessary. Our current agreement with Dr. Murphy-Chutorian provides for the payment of \$16,000 per month, for his services as Chief Executive Officer and a commission of \$15 per month for each successfully-installed product that has an active and effective service agreement in place. Dr. Murphy-Chutorian is also eligible for awards under our equity incentive plans. In November 2012, in recognition of Dr. Murphy-Chutorian's contributions to our company, we also agreed to a one-time equity award of stock options under our 2007 equity incentive plan to acquire 20,000 shares of our common stock at \$0.52 per share, which options expire ten (10) years after the grant date.

In addition, we owe Dr. Murphy-Chutorian consulting fees. In 2012, Dr. Murphy-Chutorian performed consulting services, which included managing finance, sales, marketing, operational and strategic planning for our company, and assistance and strategic guidance in securing financing. He deferred payment of \$482,026 of the invoices for his services in assistance and strategic guidance in securing financing that are booked as accrued expenses. We agreed to pay him \$150,000 of this receivable following the closing of our initial public offering, and will begin making installment payments of \$30,000 per month beginning six (6) months after the closing of our initial public offering until such receivable is paid in full. This consulting arrangement also represented \$43,000 in fair value of warrant purchases determined to be in excess of the purchase price. Such consulting fees for 2012 are included in the above tables under "All Other Compensation."

Robert G. McRae

On November 1, 2010, we entered into an at-will employment agreement with Mr. McRae, our Chief Operating Officer. Under the terms of the agreement, Mr. McRae can be terminated at any time and his job titles, salaries and benefits may be modified from time to time as we deem necessary. Our current agreement with Mr. McRae provides for the payment of \$18,191 per month as salary, an annual bonus of \$54,300 and \$1,743 per month of health benefits (consisting of insurance premiums paid on his behalf). Mr. McRae is also eligible for awards under our equity incentive plans. Accordingly, in 2012, Mr. McRae was granted stock options to acquire 20,000 shares of our common stock at \$0.52 per share, and options to acquire 20,000 shares of our common stock at \$4.50 per share (which were subsequently re-priced to \$0.52 per share), all of which options expire ten (10) years after the grant date. In addition to the grant date fair value of his 2012 option awards, the summary compensation table also reflects the incremental value associated with the re-pricing to \$0.52 per share of all of Mr. McRae's outstanding option awards (including the 20,000 granted in 2012), which were re-priced at \$0.52 per share in connection with our conversion to a C-Corporation in 2012.

Daniel E. Conger

On October 18, 2010, we entered into an at-will employment agreement with Mr. Conger, our Vice President of Finance. Under the terms of the agreement, Mr. Conger can be terminated at any time and his job titles, salaries and benefits may be modified from time to time as we deem necessary. Our current agreement with Mr. Conger provides for the payment of \$10,106 per month as salary and an annual bonus of \$30,300. Mr. Conger is also eligible for awards under our equity incentive plans. Accordingly, in 2012, Mr. Conger was granted stock options to acquire 10,000 shares of our common stock at \$0.52 per share,

and options to acquire 6,500 shares of our common stock at \$4.50 per share (which were subsequently re-priced to \$0.52 per share), all of which options expire ten (10) years after the grant date. In addition to the grant date fair value of his 2012 option awards, the summary compensation table also reflects the incremental value associated with the re-pricing to \$0.52 per share of all of Mr. Conger's option awards (including the 6,500 granted in 2012), which were re-priced at \$0.52 per share in connection with our conversion to a C-Corporation in 2012.

2007 Equity Incentive Plan

Our 2007 Key Person Stock Option Plan, or the 2007 Plan, was adopted by our Board of Directors in October 2007. The 2007 Plan is intended to provide a means for us to grant certain of our employees, directors, consultants or advisors, options to purchase shares of our common stock and thereby develop a sense of proprietorship and personal involvement in our development and financial success, and to encourage grantees to remain with and devote their best efforts to our business, thereby advancing our interests and those of our stockholders.

The 2007 Plan is administered by our Chief Executive Officer, who has the sole authority to select grantees and set the terms of awards under the 2007 Plan, except that grants to the Chief Executive Officer may be made only by the Board. Optionees are chosen based on the nature of the services rendered by such individuals, their present and potential contributions to our success and such other factors as deemed relevant.

Option awards under the 2007 Plan are evidenced by a written option agreement that contains the terms and condition of the option. Options granted under the 2007 Plan are not transferable other than by will or the laws of descent and distribution.

The exercise price for options under the 2007 Plan may not be less than fair market value on the grant date. As defined in the 2007 Plan, fair market value of a share of our stock is equal to the average of the high and low sales prices of the stock (i) reported by the Nasdaq National Market on that date or (ii) if our common stock is listed on a national stock exchange, reported on the stock exchange composite tape on that date; or, in either case, if no prices are reported on that date, on the last preceding date on which such prices of the stock are so reported. If the common stock is traded over the counter at the time a determination of its fair market value is required to be made, its fair market value shall be deemed to be equal to the average between the reported high and low or closing bid and asking prices of stock on the most recent date on which the stock was publicly traded. In the event our common stock is not publicly traded at the time a determination of its value is required to be made, the determination of its fair market value shall be made by the administrator of the 2007 Plan in such manner as deemed appropriate.

In the event of a Corporate Change (as defined in the 2007 Plan), our Board can choose to accelerate the vesting of the options, require the surrender of the options upon payment for cash, make such adjustments to the outstanding options as it deems appropriate to reflect the Corporate Change, or make adjustments to outstanding options so that the option covers the number and class of shares of stock or other securities or property (including, without limitation, cash) to which the optionee would have been entitled pursuant to the terms of the agreement for the Corporate Change as if the optionee had been the holder of record of the number of shares of stock then covered by such option.

Our Board may terminate the 2007 Plan at any time and also has the right to alter or amend the plan or any part of the plan from time to time. In addition, the Chief Executive Officer, as administrator of the 2007 Plan (without the necessity of specific Board action), has the power and authority to make or approve revisions or modifications to the terms and provisions of the 2007 Plan on behalf of the Board, so long as such revisions or modifications are necessary, appropriate or desirable to effectuate the purposes of the 2007 Plan and do not effect a material change in the structure or purposes of the 2007 Plan. However, no change can be made to a granted option without the consent of the optionee, if it would impair the rights of such optionee.

All options under the 2007 Plan are required to be granted within 10 years from the October 1, 2007 effective date of the 2007 Plan. As initially adopted, options to purchase up to 250,000 shares could be issued under the 2007 Plan. In January 2012, our Board increased the available number of shares under the

2007 Plan from 250,000 to 456,500 shares. The number of shares issued or reserved pursuant to the 2007 Plan (or pursuant to outstanding awards) is subject to adjustment as a result of recapitalizations, reclassifications of our capital stock, or other changes to our capital structure.

In the quarter ended September 30, 2012, our Board amended the exercise price of all outstanding options at that time under the 2007 Plan to \$0.52 per share. The expiration dates of outstanding option awards were unchanged. In the quarter ending June 30, 2013, our Board vested all outstanding options.

As of July 31, 2014 we have outstanding, fully exercisable and fully vested options to acquire a total of 407,500 shares of common stock granted under the 2007 Plan.

The following table provides information about the number of outstanding equity awards held by our named executive officers at December 31, 2013. Director Compensation

Prior to the recent adoption of our non-employee director compensation program in July 2014, we did not have a formal compensation plan for our directors. We did not pay our directors attendance fees, grant them equity or other compensation for service on our board. During the last fiscal year we did not pay any compensation to our directors for service on the board.

In July 2014, our board of directors approved the following non-employee director compensation.

Cash Compensation

All non-employee directors are entitled to receive an annual \$30,000 retainer for service as a board member and an annual retainer for each committee on which they serve as a member:

- \$15,000 per year for service as chairman of the audit committee or \$7,500 per year for service as a member of the audit committee;
- \$10,000 per year for service as chairman of the compensation committee or \$5,000 per year for service as a member of the compensation committee;
- \$5,000 per year for service as chairman of the nominating committee or \$2,000 per year for service as a member of the compensation committee.

All cash payments to non-employee directors will be paid quarterly in arrears and will be pro-rated for directors who join the board or a board committee mid-year.

Equity Compensation

All non-employee directors will be entitled to receive the following equity compensation for their services:

- initial grant of options to acquire 10,000 shares of common stock, which options will be fully vested on the grant date; and
- annual grant of options to acquire 5,000 shares of common stock, which options will be fully vested on the grant date.

Annual grant amounts will be pro-rated for directors who join the board mid-year. On July 24, 2014, the board of directors made the initial grant of options to acquire 10,000 shares of our common stock under our 2013 Stock Plan to each of our non-employee directors. All of these options have an exercise price of \$3.85 per share, expire 10 years from the grant date, and are vested in full.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of July 31, 2014 of:

- each of our Directors;
- each of our named executive officers; and
- all of our Directors and executive officers as a group.

Shares of our common stock subject to options or warrants that are currently exercisable or exercisable within 60 days after July 31, 2014 are considered outstanding and beneficially owned by the person holding the options or warrants for the purpose of calculating the percentage ownership of that person but not for the purpose of calculating the percentage ownership of any other person. Except as otherwise noted, the persons and entities in the following table have sole voting and investing power with respect to all of the shares of our common stock beneficially owned by them, subject to community property laws, where applicable. Information with respect to beneficial ownership by 5% stockholders has been based on information filed with the Securities and Exchange Commission pursuant to Section 13(d) or Section 13(g) of the Securities Exchange Act of 1934, as well as company records. SEMLER SCIENTIFIC, INC. 2014 STOCK INCENTIVE PLAN

1. Establishment, Purpose and Term of Plan.

1.1 Establishment. The Plan is hereby established effective as of July 24, 2014.

1.2 Purpose. The purpose of the Plan is to (i) advance the interests of the Participating Company Group and its stockholders by providing an incentive to attract, retain and reward persons performing services for the Participating Company Group and by motivating such persons to contribute to the growth and profitability of the Participating Company Group; and (ii) permit the payment of compensation that qualifies as “performance-based compensation” under Section 162(m) of the Code . The Company intends that Awards granted pursuant to the Plan be exempt from or comply with Section 409A of the Code (including any amendments or replacements of such Section), and the Plan shall be so construed.

1.3 Term of Plan. The Plan shall continue in effect until its termination by the Board; provided, however, that all Awards shall be granted, if at all, within ten (10) years from the earlier of the date the Plan is adopted by the Board or the date the Plan is duly approved by the stockholders of the Company.

2. Definitions and Construction.

2.1 Definitions. Whenever used herein, the following terms shall have their respective meanings set forth below:

(a) “**Applicable Laws**” means the requirements relating to the administration of equity-based awards under U.S. federal and state corporate laws, U.S. federal and state securities laws, the Code, any stock exchange or quotation system on which the Company’s common stock is listed or quoted and the applicable laws of any foreign country or jurisdiction where Awards are, or will be, granted under the Plan.

(b) “**Award**” means an Option, Stock Appreciation Right, Stock Bonus, Restricted Stock, or Restricted Stock Units granted under the Plan.

(c) “**Award Agreement**” means a written or electronic agreement between the Company and a Participant setting forth the terms, conditions and restrictions of the Award granted to the Participant.

(d) “**Board**” means the Board of Directors of the Company. If one or more Committees have been appointed by the Board to administer the Plan, “**Board**” also means such Committee(s).

(e) “**Cause**” means, unless such term or an equivalent term is otherwise defined with respect to an Award by the Participant’s Award Agreement or written contract of employment or service, any of the following: (i) the Participant’s theft, dishonesty, willful misconduct, breach of fiduciary duty for personal profit, or falsification of any Participating Company documents or records; (ii) the Participant’s material failure to abide by a Participating Company’s code of conduct or other policies (including, without limitation, policies relating to confidentiality and reasonable workplace conduct); (iii) the Participant’s unauthorized use, misappropriation, destruction or diversion of any tangible or intangible asset or corporate opportunity of a Participating Company (including, without limitation, the Participant’s improper use or disclosure of a Participating Company’s confidential or proprietary information); (iv) any intentional act by the Participant which has a material detrimental effect on a Participating Company’s reputation or business; (v) the Participant’s repeated failure or inability to perform any reasonable assigned duties after written notice from a Participating Company of, and a reasonable opportunity to cure, such failure or inability; (vi) any material breach by the Participant of any employment or service agreement between the Participant and a Participating Company, which breach is not cured pursuant to the terms of such agreement; or (vii) the Participant’s conviction (including any plea of guilty or *nolo contendere*) of any criminal act involving fraud, dishonesty, misappropriation or moral turpitude, or which impairs the Participant’s ability to perform his or her duties with a Participating Company.

(f) “**Change of Control**” means the occurrence of any of the following events:

(i) A change in the ownership of the Company that occurs on the date that any one person, or more than one person acting as a group (“**Person**”), acquires ownership of the stock of the Company that, together with the stock held by such Person, constitutes more than fifty percent (50%) of the total voting power of the stock of the Company. For purposes of this subsection (i), the acquisition of additional stock by any one Person, who is considered to own more than fifty percent (50%) of the total voting power of the stock of the Company will not be considered an additional Change of Control; or

(iii) A change in the ownership of a “substantial portion of the Company’s assets,” as defined herein. For this purpose, a “substantial portion of the Company’s assets” shall mean assets of the Company having a total gross fair market value equal to or more than fifty percent (50%) of the total gross fair market value of all of the assets of the Company immediately prior to such change in ownership. For purposes of this subsection (iii), a change in ownership of a substantial portion of the Company’s assets occurs on the date that any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such Person or Persons) assets from the Company that constitute a “substantial portion of the Company’s assets.” For purposes of this subsection (c), the following will not constitute a change in the ownership of a substantial portion of the Company’s assets: (A) a transfer to an entity that is controlled by the Company’s stockholders immediately after the transfer, or (B) a transfer of assets by the Company to: (1) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company’s stock, (2) an entity, fifty percent (50%) or more of the total value or voting power of which is owned, directly or indirectly, by the Company, (3) a Person, that owns, directly or indirectly, fifty percent (50%) or more of the total value or voting power of all the outstanding stock of the Company, or (4) an entity, at least fifty percent (50%) of the total value or voting power of which is owned, directly or indirectly, by a Person described in this subsection (c). For purposes of this Section, Persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

Notwithstanding the foregoing, a transaction will not be deemed a Change of Control unless the transaction qualifies as a change of control event within the meaning of Section 409A of the Code.

Further and for the avoidance of doubt, a transaction will not constitute a Change of Control if its primary purpose is to (1) change the state of the Company’s incorporation; or (2) create a holding company that will be owned in substantially the same proportions by the Persons who held the Company’s securities immediately before such transaction.

3.2 Authority of the Committee. It shall be the duty of the Committee to administer the Plan in accordance with the Plan's provisions. The Committee shall have all powers and discretion necessary or appropriate to administer the Plan and to control its operation, including, but not limited to, the power to (a) determine which Employees Consultants and Directors shall be granted Awards; (b) prescribe the terms and conditions of the Awards; (c) interpret the Plan and the Awards; (d) adopt such procedures and subplans as are necessary or for the purpose of satisfying Applicable Laws; (e) adopt rules for the administration, interpretation and application of the Plan as are consistent therewith; and (f) interpret, amend or revoke any such rules. Notwithstanding the foregoing, with respect to Awards that are intended to qualify as performance-based compensation under Section 162(m) of the Code, the Committee may not delegate its authority and powers with respect to such Awards if such delegation would cause the Awards to fail to so qualify. 3.4 Decisions Binding. All interpretations, determinations and decisions made by the Committee, the Board, and any delegate of the Committee pursuant to the provisions of the Plan shall be final, conclusive, and binding on all persons, and shall be given the maximum deference permitted by law.

4. Shares Subject to Plan.

4.1 Number of Shares. Subject to adjustment as provided in Section 4.3 of the Plan, and the provisions in this Section 4.1 regarding the annual increase, the aggregate number of shares of Stock that may be issued pursuant to Awards may not exceed 450,000 shares of Stock (the “**Share Reserve**”). In addition, the Share Reserve shall automatically increase on January 1st of each year, for a period of not more than ten (10) years, beginning on January 1st of the year following the year in which the Plan became effective and ending on (and including) January 1, 2024, in an amount equal to four percent (4%) of the total number of shares of Stock outstanding on December 31st of the preceding calendar year. Notwithstanding the foregoing, the Board may act prior to January 1st of a given year to provide that there will be no January 1st increase in the Share Reserve for such year or that the increase in the Share Reserve for such year will be a lesser number of shares of Stock than would otherwise occur pursuant to this Section 4.1.

4.2 Lapsed Awards. If an Award expires without having been exercised in full, or, with respect to Restricted Stock and Restricted Stock Units is forfeited to the Company, the shares which were subject thereto will become available for future grant or sale under the Plan (unless the Plan has terminated). Shares that have been issued under the Plan under any Award will not be returned to the Plan and will not become available for future distribution under the Plan; provided, however, that if unvested shares of Restricted Stock or Restricted Stock Units are repurchased by the Company or are forfeited to the Company, such shares will become available for future grant under the Plan. Shares used to pay the exercise or purchase price of an Award and/or to satisfy the tax withholding obligations related to an Award will not become available for future grant or sale under the Plan. To the extent an Award under the Plan is paid out in cash rather than shares, such cash payment will not reduce the number of shares available for issuance under the Plan.

4.3 Adjustments in Awards and Authorized Shares. In the event that any dividend (other than regular, ongoing dividends) or other distribution (whether in the form of cash, shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of shares or other securities of the Company, or other change in the corporate structure of the Company affecting the shares such that an adjustment is determined by the Committee (in its sole discretion) to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust the number and class of stock. Notwithstanding the preceding, the number of shares subject to any Award always shall be a whole number.

5. Eligibility.

5.1 Persons Eligible for Awards. Awards may be granted only to Employees, Consultants and Directors.

5.2 Participation in the Plan. Awards are granted solely at the discretion of the Board. Eligible persons may be granted more than one Award. However, eligibility in accordance with this Section shall not entitle any person to be granted an Award, or, having been granted an Award, to be granted an additional Award.

6. Stock Options and Stock Appreciation Rights.

Options and SARs shall be evidenced by Award Agreements specifying the number of shares of Stock covered thereby, in such form as the Board shall from time to time establish. Award Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

6.1 Option and SAR Limitations. No Participant shall be granted Options or SARs covering more than a total of 250,000 shares of Stock during any one Company fiscal year. Notwithstanding the foregoing, during the Company fiscal year in which a Participant first becomes an Employee, he or she may be granted Options or SARs to purchase up to a total of an additional 100,000 shares of Stock.

6.2 Exercise Price. The exercise price for each Option or SAR shall be established in the discretion of the Board; provided, however, that (a) the exercise price per share for an Option or SAR shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option or SAR and (b) no Incentive Stock Option granted to a Ten Percent Stockholder shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Incentive Stock Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Non-statutory Stock Option) or SAR may be granted with an exercise price lower than the minimum exercise price set forth above if such Option or SAR is granted pursuant to an assumption or substitution for another option or SAR in a manner qualifying under the provisions of Section 424(a) of the Code.

6.3 Exercisability and Term of Options and SARs. Options and SARs shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, Performance Goals and restrictions as shall be determined by the Board and set forth in the Award Agreement evidencing such Option or SAR; provided, however, that (a) no Option or SAR shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option or SAR and (b) no Incentive Stock Option granted to a Ten Percent Stockholder shall be exercisable after the expiration of five (5) years after the effective date of grant of such Incentive Stock Option. Subject to the foregoing, unless otherwise specified by the Board in the grant of an Option or SAR, any Option or SAR granted hereunder shall terminate ten (10) years after the effective date of grant of the Option or SAR, unless earlier terminated in accordance with its provisions.

6.4 Exercise of SAR. Upon the exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying: (a) the difference between the Fair Market Value of the Stock on the date of exercise over the exercise price by (b) the number of shares with respect to which the SAR is exercised. At the discretion of the Committee, the payment upon exercise of a SAR may be in cash, in shares of equivalent value, in some combination thereof or in any other manner approved by the Committee in its sole discretion.

6.5 Payment of Exercise Price.

(a) *Forms of Consideration Authorized.* Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option or SAR shall be made: (i) in cash, by check or in cash equivalent; (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant having a Fair Market Value not less than the exercise price; (iii) by delivery of a properly executed notice of exercise together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a “**Cashless Exercise**”) or SAR; (iv) by delivery of a properly executed notice electing a Net-Exercise; (v) by such other consideration as may be approved by the Board from time to time to the extent permitted by applicable law; or (vi) by any combination thereof. The Board may at any time or from time to time grant Options and SARs which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration.

(b) *Limitations on Forms of Consideration — Tender of Stock.* Notwithstanding the foregoing, an Option or SAR may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company’s Stock. Unless otherwise provided by the Board, an Option or SAR may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock unless such shares either have been owned by the Participant for more than six (6) months or such other period, if any, required by the Company (and were not used for another Option or SAR exercise by attestation during such period) or were not acquired, directly or indirectly, from the Company.

6.6 Certain Additional Provisions for Incentive Stock Options.

(a) *Maximum Number of Shares Issuable Pursuant to Incentive Stock Options.* Subject to Section 4 above and adjustment as provided in Subsection 4.3 of the Plan, the maximum aggregate number of shares of Stock that may be issued under the Plan pursuant to the exercise of Incentive Stock Options shall not exceed 300,000 shares (the “**ISO Share Limit**”). The maximum aggregate number of shares of Stock that may be issued under the Plan pursuant to all Awards other than Incentive Stock Options shall be the number of shares determined in accordance with Section 4 above, subject to adjustment as provided in Subsection 4.3 of the Plan.

(b) *Exercisability.* The aggregate Fair Market Value (determined on the Grant Date(s)) of the shares with respect to which Incentive Stock Options are exercisable for the first time by any Employee during any calendar year (under all plans of the Company and its Subsidiaries) shall not exceed One Hundred Thousand Dollars (\$100,000).

(c) *Termination of Service.* No Incentive Stock Option may be exercised more than three (3) months after the Participant’s Termination of Service for any reason other than Disability or death, unless (a) the Participant dies during such three-month period, and/or (b) the Award Agreement or the Committee permits later exercise (in which case the Option instead may be deemed to be a Nonqualified Stock Option). No Incentive Stock Option may be exercised more than one (1) year after the Participant’s Termination of Service on account of Disability, unless (a) the Participant dies during such one-year period, and/or (b) the Award Agreement or the Committee permit later exercise (in which case the option instead may be deemed to be a Nonqualified Stock Option).

(d) *Expiration.* No Incentive Stock Option may be exercised after the expiration of ten (10) years from the Grant Date; provided, however, that if the Option is granted to an Employee who, together with persons whose stock ownership is attributed to the Employee pursuant to Section 424(d) of the Code, owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of the stock of the Company or any of its Subsidiaries, the Option may not be exercised after the expiration of five (5) years from the Grant Date.

6.7 Effect of Termination of Service.

(a) *Option and SAR Exercisability.* Subject to earlier termination of the Option or SAR as otherwise provided by this Plan and unless a longer exercise period is provided by the Board, an Option or SAR shall terminate immediately upon the Participant’s termination of Service to the extent that it is then unvested and shall be exercisable after the Participant’s termination of Service to the extent it is then vested only during the applicable time period determined in accordance with this Section and thereafter shall terminate:

(i) *Disability.* If the Participant’s Service terminates because of the Disability of the Participant, the Option or SAR, to the extent unexercised and exercisable for vested shares on the date on which the Participant’s Service terminated, may be exercised by the Participant (or the Participant’s guardian or legal representative) at any time prior to the expiration of twelve (12) months after the date on which the Participant’s Service terminated, but in any event no later than the date of expiration of the Option’s or SAR’s term as set forth in the Award Agreement evidencing such Option or SAR.

(ii) *Death.* If the Participant’s Service terminates because of the death of the Participant, the Option or SAR, to the extent unexercised and exercisable for vested shares on the date on which the Participant’s Service terminated, may be exercised by the Participant’s legal representative or other person who acquired the right to exercise the Option or SAR by reason of the Participant’s death at any time prior to the expiration of twelve (12) months after the date on which the Participant’s Service terminated, but in any event no later than the Option or SAR Expiration Date. The Participant’s Service shall be deemed to have terminated on account of death if the Participant dies within three (3) months after the Participant’s termination of Service.

(iii) *Termination for Cause.* Notwithstanding any other provision of the Plan to the contrary, if the Participant’s Service is terminated for Cause, the Option or SAR shall terminate in its entirety and cease to be exercisable immediately upon such termination of Service.

(iv) Other Termination of Service. If the Participant's Service terminates for any reason, except Disability, death or Cause, the Option or SAR, to the extent unexercised and exercisable for vested shares on the date on which the Participant's Service terminated, may be exercised by the Participant at any time prior to the expiration of three (3) months after the date on which the Participant's Service terminated, but in any event no later than the Option or SAR Expiration Date.

(b) Extension if Exercise Prevented by Law. Notwithstanding the foregoing other than termination of Service for Cause, if the exercise of an Option or SAR within the applicable time periods set forth in Subsection 6.7(a) of the Plan is prevented by the provisions of Section 13 below, the Option or SAR shall remain exercisable until the later of (i) thirty (30) days after the date such exercise first would no longer be prevented by such provisions or (ii) the end of the applicable time period under Subsection 6.7(a), but in any event no later than the Option or SAR Expiration Date.

6.8 Transferability of Options or SARs. During the lifetime of the Participant, an Option or SAR shall be exercisable only by the Participant or the Participant's guardian or legal representative. An Option or SAR shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Board, in its discretion, and set forth in the Award Agreement evidencing such Option, a Non-statutory Stock Option shall be assignable or transferable subject to the applicable limitations, if any, described in the General Instructions to Form S-8 Registration Statement under the Securities Act.

7. Stock Bonus.

Stock Bonus Awards shall be evidenced by Award Agreements in such form as the Board shall from time to time establish. Award Agreements evidencing Stock Bonus Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

7.1 Stock Bonus Limitations. No Participant shall be granted a Stock Bonus covering more than a total of 250,000 shares of Stock during any one Company fiscal year. Notwithstanding the foregoing, during the Company fiscal year in which a Participant first becomes an Employee, he or she may be granted a Stock Bonus to purchase up to a total of an additional 100,000 shares of Stock.

7.2 Vesting and Restrictions on Transfer. Shares of Stock issued pursuant to any Stock Bonus Award may (but need not) be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or Performance Goals, as shall be established by the Board and set forth in the Award Agreement evidencing such Award. The Board, in its discretion, may provide in any Award Agreement evidencing a Stock Bonus Award that, if the satisfaction of Vesting Conditions with respect to any shares subject to such Stock Bonus Award would otherwise occur on a day on which the sale of such shares would violate the provisions of the Insider Trading Policy, then satisfaction of the Vesting Conditions automatically shall be determined on the next trading day on which the sale of such shares would not violate the Insider Trading Policy.

7.3 Form of Payment to Participant. Payment may be made in the form of cash, whole shares of Stock, or a combination thereof, based on the Fair Market Value of the shares of Stock earned under a Stock Bonus Award on the date of payment, as determined in the sole discretion of the Committee.

7.4 Effect of Termination of Services. Each Award Agreement will specify the consequences of a Participant's ceasing to be a Service Provider prior to the settlement of a Stock Bonus Award.

8. Restricted Stock Awards.

Restricted Stock Awards shall be evidenced by Award Agreements in such form as the Board shall from time to time establish. Award Agreements evidencing Restricted Stock Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

8.1 Restricted Stock Limitations. No Participant shall be granted Restricted Stock covering more than a total of 250,000 shares of Stock during any one Company fiscal year. Notwithstanding the foregoing, during the Company fiscal year in which a Participant first becomes an Employee, he or she may be granted Restricted Stock to purchase up to a total of an additional 100,000 shares of Stock.

8.2 Types of Restricted Stock Awards Authorized. Restricted Stock Awards may be granted upon such conditions as the Board shall determine, including, without limitation, upon the attainment of one or more Performance Goals.

8.3 Purchase Price. The purchase price for shares of Stock issuable under each Restricted Stock Award shall be established by the Board in its discretion. Except as may be required by applicable law or established by the Board, no monetary payment (other than applicable tax withholding) shall be required as a condition of receiving shares of Stock pursuant to a Restricted Stock Award.

8.4 Payment of Purchase Price. Except as otherwise provided below, payment of the purchase price (if any) for the number of shares of Stock being purchased pursuant to any Restricted Stock Award shall be made: (a) in cash, by check or in cash equivalent; (b) by such other consideration as may be approved by the Board from time to time to the extent permitted by applicable law; or (c) by any combination thereof.

8.5 Vesting and Restrictions on Transfer. Shares issued pursuant to any Restricted Stock Award may (but need not) be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or Performance Goals, as shall be established by the Board and set forth in the Award Agreement evidencing such Award. During any period in which shares acquired pursuant to a Restricted Stock Award remain subject to Vesting Conditions, such shares may not be sold, exchanged, transferred, pledged, assigned or otherwise disposed of other than pursuant to an Ownership Change Event or as provided in Subsection 8.7 below. The Board, in its discretion, may provide in any Award Agreement evidencing a Restricted Stock Award that, if the satisfaction of Vesting Conditions with respect to any shares subject to such Restricted Stock Award would otherwise occur on a day on which the sale of such shares would violate the provisions of the Insider Trading Policy, then satisfaction of the Vesting Conditions automatically shall be determined on the next trading day on which the sale of such shares would not violate the Insider Trading Policy. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

8.6 Voting Rights; Dividends and Distributions. Except as provided in this Subsection 8.6, Subsection 8.4 and any Award Agreement, during any period in which shares acquired pursuant to a Restricted Stock Award remain subject to Vesting Conditions, the Participant shall have all of the rights of a stockholder of the Company holding shares of Stock, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares. However, in the event of a dividend or distribution paid in shares of Stock or other property or any other adjustment made upon a change in the capital structure of the Company as described in Subsection 4.3 above, any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant is entitled by reason of the Participant's Restricted Stock Award shall be immediately subject to the same Vesting Conditions as the shares subject to the Restricted Stock Award with respect to which such dividends or distributions were paid or adjustments were made.

8.7 Effect of Termination of Service. Unless otherwise provided by the Board in the Award Agreement evidencing a Restricted Stock Award, if a Participant's Service terminates for any reason, whether voluntary or involuntary (including the Participant's death or disability), then (a) the Company shall have the option to repurchase for the purchase price paid by the Participant any shares acquired by the Participant pursuant to a Restricted Stock Award which remain subject to Vesting Conditions as of the date of the Participant's termination of Service and (b) if the Participant did not pay any consideration for any shares acquired by the Participant pursuant to a Restricted Stock Award which remain subject to Vesting Conditions as of the date of the Participant's termination of Service. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company.

8.8 Non-transferability of Restricted Stock Award Rights. Rights to acquire shares of Stock pursuant to a Restricted Stock Award shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance or garnishment by creditors of the Participant or the

Participant's beneficiary, except transfer by will or the laws of descent and distribution. All rights with respect to a Restricted Stock Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

9. Restricted Stock Unit Awards.

Restricted Stock Unit Awards shall be evidenced by Award Agreements in such form as the Board shall from time to time establish. Award Agreements evidencing Restricted Stock Unit Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

9.1 Restricted Stock Unit Limitations. No Participant shall be granted Restricted Stock Units covering more than a total of 250,000 shares of Stock during any one Company fiscal year. Notwithstanding the foregoing, during the Company fiscal year in which a Participant first becomes an Employee, he or she may be granted Restricted Stock Units to purchase up to a total of an additional 100,000 shares.

9.2 Types of Restricted Stock Unit Awards Authorized. Restricted Stock Unit Awards may be granted upon such conditions as the Board shall determine, including, without limitation, upon the attainment of one or more Performance Goals.

9.3 Number of Securities. Each Award Agreement will specify the number of Awarded Securities and will provide for the adjustment of such number in accordance with Subsection 4.3 of the Plan.

9.4 Purchase Price. The purchase price for shares of Stock issuable under each Restricted Stock Unit Award shall be established by the Board in its discretion. Except as may be required by applicable law or established by the Board, no monetary payment (other than applicable tax withholding) shall be required as a condition of receiving a Restricted Stock Unit Award.

9.5 Payment of Purchase Price. Except as otherwise provided below, payment of the purchase price (if any) for the number of shares of Stock being purchased pursuant to any Restricted Stock Unit Award shall be made: (a) in cash, by check or in cash equivalent; (b) by such other consideration as may be approved by the Board from time to time to the extent permitted by applicable law; or (c) by any combination thereof.

9.6 Vesting and Restrictions on Transfer. Shares of Stock issued pursuant to any Restricted Stock Award may (but need not) be made subject to Vesting Conditions based upon the satisfaction of such Service requirements, conditions, restrictions or Performance Goals, as shall be established by the Board and set forth in the Award Agreement evidencing such Award. The Board, in its discretion, may provide in any Award Agreement evidencing a Restricted Stock Unit Award that, if the satisfaction of Vesting Conditions with respect to any shares subject to such Restricted Stock Unit Award would otherwise occur on a day on which the sale of such shares would violate the provisions of the Insider Trading Policy, then satisfaction of the Vesting Conditions automatically shall be determined on the next trading day on which the sale of such shares would not violate the Insider Trading Policy.

9.7 Settlement of Restricted Units.

(a) *Procedure; Rights as a Stockholder.* Any Restricted Stock Unit Award granted hereunder will be settled according to the terms of the Plan and at such times and under such conditions as determined by the Board and set forth in the Award Agreement. Until the Restricted Stock Unit Awards are settled and the shares of Stock are delivered (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote, if applicable, or receive dividends or any other rights as a stockholder will exist with respect to the Award. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Securities are delivered, except as provided in Subsection 4.2 of the Plan or the applicable Award Agreement.

(b) *Non-transferability of Restricted Stock Unit Award Rights.* Rights to acquire shares of Stock pursuant to a Restricted Stock Unit Award shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance or garnishment by creditors of the Participant or

the Participant's beneficiary, except transfer by will or the laws of descent and distribution. All rights with respect to a Restricted Stock Unit Award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

9.8 Cessation of Services. Each Award Agreement will specify the consequences of a Participant's ceasing to be a Service Provider prior to the settlement of a Restricted Stock Unit Award.

10. Performance-Based Awards under Section 162(m) of the Code.

10.1 General. If the Committee, in its discretion, decides to grant an Award intended to qualify as "performance-based compensation" under Section 162(m) of the Code, the provisions of this Section 10 will control over any contrary provision in the Plan. The Committee, in its discretion, also may grant Awards that are not intended to qualify as "performance-based compensation" under Section 162(m) of the Code.

10.2 Performance Goals. The granting and/or vesting of Awards and other incentives under the Plan may, in the discretion of the Committee, be made subject to the achievement of one or more Performance Goals.

10.3 Procedures. To the extent necessary to comply with the "performance-based compensation" provisions of Section 162(m) of the Code, with respect to any Award granted subject to Performance Goals and intended to qualify as "performance-based compensation" under such Section, on or before the Determination Date (i.e., within the first twenty-five percent (25%) of the Performance Period, but in no event more than ninety (90) days following the commencement of any Performance Period or such other time as may be required or permitted by Section 162(m)), the Committee will, in writing: (i) designate one or more Participants to whom an Award will be made; (ii) determine the Performance Period; (iii) establish the Performance Goals and amounts that may be earned for the Performance Period; and (iv) determine any other terms and conditions applicable to the Award(s).

10.4 Additional Limitations. Notwithstanding any other provision of the Plan, any Award that is granted to a Participant and is intended to constitute qualified "performance-based compensation" under Section 162(m) will be subject to any additional limitations set forth in the Code (including any amendment to Section 162(m)) or any regulations and ruling issued thereunder that are requirements for qualification as "performance-based compensation" under Section 162(m) of the Code, and the Plan will be deemed amended to the extent necessary to conform to such requirements.

10.5 Determination of Amounts Earned. Following the completion of each Performance Period, the Committee will certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. A Participant will be eligible to receive payment pursuant to an Award intended to qualify as "performance-based compensation" under Section 162(m) of the Code for a Performance Period only if the Performance Goals for such period are achieved. In determining the amounts earned by a Participant pursuant to an Award intended to qualified as "performance-based compensation" under Section 162(m) of the Code, the Committee will have the right to (a) reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period; (b) determine what actual Award, if any, will be paid in the event of a termination of employment as the result of a Participant's death or disability or upon a Change of Control or in the event of a termination of employment following a Change of Control prior to the end of the Performance Period; and (c) determine what actual Award, if any, will be paid in the event of a termination of employment other than as the result of a Participant's death or Disability prior to a Change of Control and prior to the end of the Performance Period to the extent an actual Award would have otherwise been achieved had the Participant remained employed through the end of the Performance Period.

11. Change in Control.

11.1 Effect of Change in Control on Awards. Subject to the requirements and limitations of Section 409A of the Code, if applicable, the Board may provide for any one or more of the following:

(a) Accelerated Vesting. The Board may, in its discretion, provide in any Award Agreement or, in the event of a Change in Control, may take such actions as it deems appropriate to provide for the acceleration of the exercisability and/or vesting in connection with such Change in Control of each or any

outstanding Award or portion thereof and shares acquired pursuant thereto upon such conditions, including termination of the Participant's Service prior to, upon, or following such Change in Control, to such extent as the Board shall determine.

(b) *Assumption, Continuation or Substitution of Awards.* In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the "Acquiror"), may, without the consent of any Participant, assume or continue the Company's rights and obligations under each or any Award or portion thereof outstanding immediately prior to the Change in Control or substitute for each or any such outstanding Award or portion thereof a substantially equivalent Award with respect to the Acquiror's stock. For purposes of this Section, if so determined by the Board, in its discretion, an Award or any portion thereof shall be deemed assumed if, following the Change in Control, the Award confers the right to receive, subject to the terms and conditions of the Plan and the applicable Award Agreement, for each share of Stock subject to such portion of the Award immediately prior to the Change in Control, the consideration (whether stock, cash, other securities or property or a combination thereof) to which a holder of a share of Stock on the effective date of the Change in Control was entitled; provided, however, that if such consideration is not solely common stock of the Acquiror, the Board may, with the consent of the Acquiror, provide for the consideration to be received upon the exercise of the Award for each share of Stock to consist solely of common stock of the Acquiror equal in Fair Market Value to the per share consideration received by holders of Stock pursuant to the Change in Control. If any portion of such consideration may be received by holders of Stock pursuant to the Change in Control on a contingent or delayed basis, the Board may, in its discretion, determine such Fair Market Value per share as of the time of the Change in Control on the basis of the Board's good faith estimate of the present value of the probable future payment of such consideration. Any Award or portion thereof which is neither assumed or continued by the Acquiror in connection with the Change in Control nor exercised as of the time of consummation of the Change in Control shall terminate and cease to be outstanding effective as of the time of consummation of the Change in Control. Notwithstanding the foregoing, shares acquired upon exercise of an Award prior to the Change in Control and any consideration received pursuant to the Change in Control with respect to such shares shall continue to be subject to all applicable provisions of the Award Agreement evidencing such Award except as otherwise provided in such Award Agreement.

(c) *Cash-Out of Outstanding Awards.* The Board may, in its discretion and without the consent of any Participant, determine that, upon the occurrence of a Change in Control, each or any Award or portion thereof outstanding immediately prior to the Change in Control shall be canceled in exchange for a payment with respect to each vested share (and each unvested share, if so determined by the Board) of Stock subject to such canceled Award in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the Change in Control, or (iii) other property which, in any such case, shall be in an amount having a Fair Market Value equal to the Fair Market Value of the consideration to be paid per share of Stock in the Change in Control, reduced by the exercise or purchase price per share, if any, under such Award. If any portion of such consideration may be received by holders of Stock pursuant to the Change in Control on a contingent or delayed basis, the Board may, in its sole discretion, determine such Fair Market Value per share as of the time of the Change in Control on the basis of the Board's good faith estimate of the present value of the probable future payment of such consideration. In the event such determination is made by the Board, the amount of such payment (reduced by applicable withholding taxes, if any) shall be paid to Participants in respect of the vested portions of their canceled Awards as soon as practicable following the date of the Change in Control and in respect of the unvested portions of their canceled Awards in accordance with the vesting schedules applicable to such Awards.

12. Tax Withholding.

12.1 Withholding Requirements. Prior to the delivery of any shares or cash pursuant to an Award (or exercise thereof), or at such earlier time as the Tax Obligations are due, the Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy all Tax Obligations.

12.2 Withholding Arrangements. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may designate the method or methods by which a Participant may satisfy such Tax Obligations. As determined by the Committee in its discretion from time

to time, these methods may include one or more of the following: (a) paying cash, (b) electing to have the Company withhold otherwise cash or shares having a Fair Market Value equal to the amount required to be withheld, (c) delivering to the Company already-owned shares having a Fair Market Value equal to the minimum amount required to be withheld or remitted, provided the delivery of such shares will not result in any adverse accounting consequences as the Committee determines in its sole discretion, (d) selling a sufficient number of shares otherwise deliverable to the Participant through such means as the Committee may determine in its sole discretion (whether through a broker or otherwise) equal to the Tax Obligations required to be withheld, (e) retaining from salary or other amounts payable to the Participant cash having a sufficient value to satisfy the Tax Obligations, or (f) any other means which the Committee, in its sole discretion, determines to both comply with Applicable Laws, and to be consistent with the purposes of the Plan. The amount of Tax Obligations will be deemed to include any amount that the Committee agrees may be withheld at the time the election is made, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant or the Company, as applicable, with respect to the Award on the date that the amount of tax or social insurance liability to be withheld or remitted is to be determined. The Fair Market Value of the shares to be withheld or delivered shall be determined as of the date that the Tax Obligations are required to be withheld.

13. Compliance with Securities Law.

13.1 Section 16 Persons. With respect to Section 16 Persons, transactions under this Plan are intended to qualify for the exemption provided by Rule 16b-3. To the extent any provision of the Plan, Award Agreement or action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable or appropriate by the Committee.

13.2 Investment Representations. As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required.

13.3 Inability to Obtain Authority. The Company will not be required to issue any Shares, cash or other property under the Plan unless all the following conditions are satisfied: (a) the admission of the shares or other property to listing on all stock exchanges on which such class of stock or property then is listed; (b) the completion of any registration or other qualification or rule compliance of the shares under any U.S. state or federal law or under the rulings or regulations of the Securities and Exchange Commission, the stock exchange on which shares of the same class are then listed, or any other governmental regulatory body, as counsel to the Company, in its absolute discretion, deems necessary or advisable; (c) the obtaining of any approval or other clearance from any U.S. federal, state or other governmental agency, which counsel to the Company, in its absolute discretion, determines to be necessary or advisable; and (d) the lapse of such reasonable period of time following the Grant Date, vesting and/or exercise as the Company may establish from time to time for reasons of administrative convenience. If the Committee determines, in its absolute discretion, that one or more of the preceding conditions will not be satisfied, the Company automatically will be relieved of any liability with respect to the failure to issue the shares, cash or other property as to which such requisite authority will not have been obtained.

14. Amendment or Termination of Plan.

The Board may amend, suspend or terminate the Plan at any time. However, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Subsection 4.3); (b) no change in the class of persons eligible to receive Incentive Stock Options; and (c) no other amendment of the Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule, including the rules of any stock exchange or market system upon which the Stock may then be listed. No amendment, suspension or termination of the Plan shall affect any then outstanding Award unless expressly provided by the Board. Except as provided by the next sentence, no amendment, suspension or termination of the Plan may adversely affect any then-outstanding Award without the consent of the Participant. Notwithstanding any other provision of the Plan or any Award Agreement to the contrary, the Board may, in its sole and absolute discretion and without the consent of any Participant, amend the Plan

or any Award Agreement, to take effect retroactively or otherwise, as it deems necessary or advisable for the purpose of conforming the Plan or such Award Agreement to any present or future law, regulation or rule applicable to the Plan, including, but not limited to, Section 409A of the Code.

15. Miscellaneous Provisions.

15.1 Indemnification. Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award Agreement; and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

15.2 Successors. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business or assets of the Company.

15.3 Rights as Employee, Consultant or Director. No person, even though eligible pursuant to Section 5 of the Plan, shall have a right to be selected as a Participant, or, having been so selected, to be selected again as a Participant. Nothing in the Plan or any Award granted under the Plan shall confer on any Participant a right to remain an Employee, Consultant or Director or interfere with or limit in any way any right of a Participating Company to terminate the Participant's Service at any time. To the extent that an Employee of a Participating Company other than the Company receives an Award under the Plan, that Award shall in no event be understood or interpreted to mean that the Company is the Employee's employer or that the Employee has an employment relationship with the Company.

15.4 Rights as a Stockholder. A Participant shall have no rights as a stockholder with respect to any shares covered by an Award until the date of the issuance of such shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). No adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date such shares are issued.

15.5 Delivery of Title to Shares. Subject to any governing rules or regulations, the Company shall issue or cause to be issued the shares of Stock acquired pursuant to an Award and shall deliver such shares to or for the benefit of the Participant by means of one or more of the following: (a) by delivering to the Participant evidence of book entry shares of Stock credited to the account of the Participant, (b) by depositing such shares of Stock for the benefit of the Participant with any broker with which the Participant has an account relationship, or (c) by delivering such shares of Stock to the Participant in certificate form.

15.6 Fractional Shares. The Company shall not be required to issue fractional shares upon the exercise or settlement of any Award.

15.7 Retirement and Welfare Plans. Neither Awards made under this Plan nor shares of Stock or cash paid pursuant to such Awards shall be included as "compensation" for purposes of computing the benefits payable to any Participant under any Participating Company's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing such benefits.

15.8 Section 409A of the Code. Notwithstanding other provisions of the Plan or any Award Agreements hereunder, no Award shall be granted, deferred, accelerated, extended, paid out or modified under this Plan in a manner that would result in the imposition of an additional tax under Section 409A of

the Code upon a Participant. In the event that it is reasonably determined by the Board or, if delegated by the Board to the Committee, by the Committee that, as a result of Section 409A of the Code, payments in respect of any Award under the Plan may not be made at the time contemplated by the terms of the Plan or the relevant Award Agreement, as the case may be, without causing the Participant holding such Award to be subject to taxation under Section 409A of the Code, including as a result of the fact that the Participant is a "specified employee" under Section 409A of the Code, the Company will make such payment on the first day that would not result in the Participant incurring any tax liability under Section 409A of the Code. The Company shall use commercially reasonable efforts to implement the provisions of this Subsection 15.8 in good faith; provided that neither the Company, the Board nor any of the Company's employees, directors or representatives shall have any liability to Participants with respect to this Subsection 15.8.

15.9 Severability. If any one or more of the provisions (or any part thereof) of this Plan shall be held invalid, illegal or unenforceable in any respect, such provision shall be modified so as to make it valid, legal and enforceable, and the validity, legality and enforceability of the remaining provisions (or any part thereof) of the Plan shall not in any way be affected or impaired thereby.

15.10 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (a) limit, impair, or otherwise affect the Company's or another Participating Company's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or (b) limit the right or power of the Company or another Participating Company to take any action which such entity deems to be necessary or appropriate.

15.11 Choice of Law. Except to the extent governed by applicable federal law, the validity, interpretation, construction and performance of the Plan and each Award Agreement shall be governed by the laws of the State of Delaware, without regard to its conflict of law rules.

15.12 Stockholder Approval. The Plan or any increase in the maximum aggregate number of shares of Stock issuable thereunder as provided in Subsection 4 (the "**Authorized Shares**") shall be approved by a majority of the outstanding securities of the Company entitled to vote by the later of (a) a period beginning twelve (12) months before and ending twelve (12) months after the date of adoption thereof by the Board. Awards granted prior to security holder approval of the Plan or in excess of the Authorized Shares previously approved by the security holders shall become exercisable no earlier than the date of security holder approval of the Plan or such increase in the Authorized Shares, as the case may be, and such Awards shall be rescinded if such security holder approval is not received in the manner described in the preceding sentence.
